Message from the Chief Editor

The Institute has started the training programs for the Financial Year 2021-22 from this quarter as was planned in the Administrative calendar.

Considering the COVID-19 protocols laid down by the State Government, presently the training programs are being conducted virtually using the Online training platform and trainees are joining remotely through their smartphones from their field or residence.

Production of different processed items in the newly constructed Demo-Lab has begun from August'21 onwards followed by scientific preservation of few perishables in semi-processed condition for future demonstration purpose.
