

NSTIAM

Newsflash

Message form the Chief Editor

The first quarter of the financial year was mainly the preparatory session for upcoming trainings of the Institute for rest of the year.

Residential capacity of NSTIAM has **increased to 152 with introduction of one new Hostel building (Hostel building 2)** during this year. Additionally, **one State-of-the-art Air-conditioned conference room** with sophisticated AV system with a seating capacity of **100 delegates** has also become ready on the top floor of the Hostel Building 2.

One **new Demo-Lab** has been developed in this quarter in assistance with RKVY fund with **more than 30 machines and equipment** related with post-harvest management and processing of fruits and vegetables.

In order to address the trainees located at distant places and also to reduce mass gathering under this COVID pandemic situation, NSTIAM has developed **one Online training studio** during this period.

NSTIAM has also undertaken an initiative to prepare one documentation of all the Farmer Producer Companies of the State. The process of preparation of one **State-wide directory of the Farmer Producer Companies** is under process.

Director, NSTIAM

In this issue.....

- ❖ Demo Lab Setup
- ❖ Setting up of Online training Studio
- ❖ Upcoming trainings of NSTIAM

Demo-Lab Setup

Job for setting up of **one Demo-lab in the Main Building** of NSTIAM under RKVY 2017-18 scheme has completed during April'21. This lab shall be **utilized for demonstration of production of different food products and processed foods** to the intended trainees of NSTIAM under different training programs conducted by the Institute. There are **more than 30 machines and equipment** to demonstrate different processing and preservation processes to the fellow trainees.

Due to this, the trainees may not be required to move to different training cum production centers under the Directorate of Agricultural Marketing, which shall save a considerable time and money required for their travel.

Setting up of Online training Studio

In order to provide agri-marketing knowledge, skills and supports to the farm families, maintaining physical distancing under this fluctuating economic condition caused due to the present Global pandemic by COVID19, NSTIAM has setup **one online studio during June'21**.

NSTIAM has planned to conduct several trainings on **Post-harvest Management, e-NAM, e-Permit, Marketing Management etc.** using this online platform.

Members of several **FPO, FPC, Farmers group, traders, ex-trainees and individual farmer** shall be the target groups of these 2 days to 10 days training programs.

Upcoming training programs of NSTIAM for the next quarter

Sl No	Training name	Duration	Participants	Training months
1	Training on e-NAM	1 & 2 days	RMC Secretaries, Officials & other Stakeholders	July- September-2021
2	Post-Harvest Management Training	2 weeks	FPO/FPC/Self Help Groups	July- September-2021
